

Safeguarding- Vulnerable Adult

Thank you for sharing (Insert summary of disclosure), I would like to reassure you that you have a range of options and support services are available for you.

The university has a legal duty to safeguard Vulnerable adults, so the disclosure has been passed onto DAI advisers, who will contact adult social services to report the concerns. A DAI adviser will be in contact with you to look at any support needs you may have.

Further information is available on our [online reporting tool website](#).

Kind regards
